Egypt: Release Pro-Palestine Protesters!

The Partisan Defense Committee and the Trotskyist Group of Greece protest the unlawful detention and reported torture of the "Until Victory Delegation" March to Gaza upon their arrival in Egypt on October 8, 2025. The attack on these protesters is a part of the Egyptian government's collaboration with the Zionist state's genocide.

The delegation is composed of Turkish pro-Palestine protesters—Eda Deniz Haydaroğlu, İleni Açıkgöz, Derya Devrim Özçelik, Berivan Gel, Yıldıray Yetik, Hasip Kıvrakdal, Sevil— who are citizens of Germany, Austria, France and the Netherlands, along with a Greek citizen and Anti-Imperialist Front supporter Konstantina Kartsiotsi. They are now being held at the police station at the Cairo International Airport facing deportation. This is part of the same sweeping campaign of repression against pro-Palestinian activists around the world and comes on the heels of Israel's attack on the Sumud Flotilla.

Release them Now!
Hands off all Pro-Palestinian activists!
